Hi Hilary,

I'm sorry I will not be able to go to Waltham today. I do not have a summons and I have already adjusted my schedule to accommodate the other courts. I am also not in the lab tomorrow.

Thanks,

Hi Kate,

I believe you are gone for the day. I don't know if you check email remotely, but your office recommended I send you an email.

We have a 2008 cocaine case on tomorrow – *Commonwealth v. [REDACTED]*
[REDACTED] – in Waltham District Court.

We mistakenly only summonsed Daniel for tomorrow, but you were the confirmatory chemist. I understand from your office that you have 3 summons for different courts already for tomorrow. If you get this and get a chance to reach out to me, could you please let me know if there is any chance you could squeeze in an appearance at the Waltham District Court if necessary. The defense counsel in this case has indicated he intends to press the trial and in the past he has required the chemists to testify.

Thank you.

My cell is [REDACTED] you happen to get this after 5pm.
